Ruben Studdard

Long ago
And oh so far away
I fell in love with you
Before the second show
And your guitar
And you sound so sweet and clear
But you're not really here
It's just the radio
Don't you remember you told me you love me, baby
You said you'd be coming back this way again
Baby, baby, baby, baby, oh oh baby
I love you, I really do
Loneliness, is such a sad affair
Sad affair
And I can't hardly wait, baby, you know I can't
To be with you again
And what to say, to say to make you come again
Oh honey
Come on back to me again, hey, yeah
I wanna be, I wanna be anywhere you are
oh Don't you remember you told me you love me, baby
You said you'd be coming back this way again
Baby, baby, baby, baby, baby, oh oh baby
I love you, oh baby
Don't you remember you told me you love me, baby
You said you'd be coming back this way again
Baby, baby, baby, baby, oh oh baby
I love you, I really do
