Midnight Swim

Vanessa Elisha

I like you're jealous
But you know no one's gonna love you the way I do
The way I doI'll make you undress
The way you looking I see that you gonna come through
You gonna come throughTake it to the head, don't go
We about to start some trouble, baby
Let the weekend pass my soul
Smoke it up so we see double, babyThat's what I like about you
That's what I like, that's what I like
That's what I like about you
That's what I like, that's what I like
You're mine
Midnight swim
Midnight swim
Midnight swim
Midnight swimDeeper the waters that it surrounds us all up
You see it's blue, it's just us two
Midnight swimming, been taking risks like we living
From my view, from my viewLay back on the bed, the show's just about to get started, baby
No, It never gets too old
Sign me up, no "ifs" or "maybes"That's what I like about you
That's what I like, that's what I like
That's what I like about you
That's what I like, that's what I like
You're mine
Midnight swim
Midnight swim
Midnight swim
Midnight swimHe's just like
He's just like the water
He's just like
He's just like the waterHe's just like, he's just like
He's just like
He's just like, he's just like
He's just like, he's just likeMidnight swim
Midnight, midnight
Midnight swim
