

All Grown Up

The Crystals

Well, I'm all grown up, ain't no baby no more
I can do the things I couldn't do before
No more ponytails, I wear my hair up high
Because I'm seventeen and that's the reason why
Because I'm all grown up and I'll go where I wanna go
I'm all grown up and I'll do what I wanna do
I'm all grown up and I'll be what I wanna be
See what I wanna see, gee, I could hardly wait
Well, I'm going on a date, every Saturday night
And if he wants to kiss, I might say all right
I got my high heels on and I'm a-ready to go
You know, I'm gonna go downtown, I'm gonna steal the show
Because I'm all grown up and I'll go where I
wanna go
I'm all grown up and I'll do what I wanna do
I'm all grown up and I'll be what I wanna be
See what I wanna see, gee, I could hardly wait
Hardly wait, hardly wait
Hardly wait, hardly wait
Because I'm all grown up and I'll go where I wanna go
I'm all grown up and I'll do what I wanna do
I'm all grown up and I'll be what I wanna be
See what I wanna see, gee, I could hardly wait
Hardly wait, hardly wait
Hardly wait, hardly wait
Hardly wait, hardly wait
