I Am Nothing Like You

Chunk! No, Captain Chunk!

I bought you death by what you say
I can feel the whole thing eat away
I will never be the same again
Now it's time to break it outYour life is now a different fate
Your life is now a different fateI know the one you used to be
You'll never be the same but your the only one to blame
You're not afraid
You're such a shame
It's time to figure out your life
For everything I hate to everything I want to find
This is your fate
Forget my nameSo we know that
Let everything change
I am nothing like you
I bet that you'll feel like, each time I lie while seconds
Bitch I'm not I'll anymore, are you afraid I'll forget?I know the one you used to be
You'll never be the same but your the only one to blame
You're not afraid
You're such a shame
It's time to figure out your life
For everything I hate to everything I want to find
This is your fate
Forget my nameI bought you death by what you say
I can feel the whole thing eat away
I will never be the same again
Now it's time to break it in
Now it's time to break it in
This is a breaking time for me
Bitch you will not be here to say
I'm not my enemy
I'll fall again
I pray that when I do
Your now the worst piece of shit
You're just a piece of shit
