

# One Original Thing

Cheyenne Kimball

What you got? What you got?  
What you got? What you got?  
I'm lookin' around tryin' to find me one original thing  
'Cause I've been walkin' so long  
It feels just like the sales are gonna break  
But everyone's lookin' at TV screens  
At wannabes who just imitate  
But I don't wanna be that way  
You think you never eat words  
Just wanna hear yourself talk  
But when the cameras are off  
You don't say nothing at all  
I'm searchin' both the time  
And sittin' it by on the stones  
I need  
One original thing  
Baby, I need an original thing  
Something unusual to give me some wings  
Show me one, true original thing  
What you got? What you got?  
What you got? What you got?  
What you got? What you got?  
What you got? What you got?  
I'm flippin' through channels  
But I'm still flipping thoughts in my mind  
How could it be that something  
So sweet is so hard to find  
It seems like everyone's tryin' to be  
A model in a magazine  
It's no ride, no, it's just not right  
You wanna talk about love  
You're too whip out your head  
You wanna be at the top  
You gotta learn how to stand  
You're lookin' both for me  
And lookin' for somebody who knows  
I need  
One original thing  
Baby, I need an original thing

Something unusual to give me some wings

Show me one, true original thing

What you got? What you got?

What you got? What you got?

What you got? What you got?

What you got? What you got?

Something original

Something original

Original

I need one original thing

Show me one true original thing

I need one original thing

Baby, I need an original thing

Something, I'm beautiful

To give me some wings

Show me one, true original thing

What you got? What you got?

What you got? What you got?

What you got?
