

Drinking Song

Hanggai

--English Translation

--

I present a whole bottle of
Pure and mellow wine,
I pour a cup full for Your Royal Highness,
Strong and fragrant wine.

Let our song never end,
Let our fortunes never decline,
A cup for ever in our hands,
A song for ever in our throats.

Close families cannot be without
Warm and mellow wine,
Fill all the cups and make a toast,
Strong and fragrant wine.
