Floating Away

India Shawn

Baby i'm still felling dirty, even after showers
Baby i'm still felling thirsty, even after hours
I've been wanting you
Don't have the power
It's been a blunt or two since you've been aroundTo keep me from floating away
Need you around
To keep me from floating away
Feel so far to me
Closing Away
Can't see the ground
I need you to come get me babeBaby I'm still feeling breezy, even though we're sweating
Safe even though that dress is a weapon
Sin but if feel like blessing
I bet it feel like heaven
I won't even question another thing
But who's gonna keep me from...Floating away
Need you around
To keep me from floating away
Feel so far to me
Closing Away
Can't see the ground
I need you to come get me babeI won't even question another thing
But whose gonna keep me from..
Floating away
Need you around
To keep me from floating away (keep me from)
Feel so far to me (keep me from)
Closing Away
Can't see the ground
I need you to come get me babe (i won't even question another thing)But whose gonna keep me from..
Need you around and
keep me from floating away
Feel so far to me
Closing away
Can't see the ground
I need you to come get me babe
