

A Place In My Heart

Joe Bonamassa

Sometimes I wonder what am I gonna do

Sometimes I'm afraid now darling

I still look around for you

No matter who you are

No matter what you do

There's a place in my heart for you

Here all alone,

Sitting here with my blues

Alone cold and scared now baby

Whoa, I've been missing you

All the time I've been thinking

Everything we've been through

There's a place in my heart for you

Yes and I wonder, do you know how I feel baby

Believe me when I tell you now darling

This hurt is for real

Oh it's time for me to start over

Go and get something new

I'm so lost without you baby

I don't know what to do
