Amazing Love (Re-Recorded)

Charley Pride

When she wakes up this morning and turns to kiss me
She'll find I let her sleep because we talked do late last night
She'll know kissed her face gently til my returning
And when she finds the rose on my pillow I know she'll smileHer amazing love unending
Is so much more than I am worthy of
If the rose could speak my feelings
She'll know I cherish her amazing loveIf I call her a little late she forgives me
A voice does not betray she spent another day alone
She softly thanks me for the rose and says I need you
And than I can feel her smiling on the phoneHer amazing love unending
Is so much more than I am worthy of
If the rose could speak my feelings
She'll know I cherish her amazing love
