

# She Got It All

Bobby V

I'm looking at the baddest, I know it  
Take you shopping, drop a stack, I throw it  
Give you good love, I show it  
Anything she needs for her, I blow it, yeah  
No need to go against it,  
She had me at the start, let's go and finish it  
I never seen it come in  
I never thought I'd be with just one woman But I, never had this feeling,  
Never ever thought I'd slow down, and that's some real shit  
Never seen it coming, I'm used to running all around with fiends She got it all, all, all that I want  
She got it all, all, all that I need  
She got it all, all, all that I want  
She got it all, all, all that I need I said I'm throwing other chicks, I don't need em no more  
Baby you're the one I can't let go  
She got it all, all, all that I want  
She got it all, all, all that I need Miss independent, I can send her on a mission  
Take her of me and my money, nothing ever missing  
Don't talk much, she listen,  
Try to find another like her, keep wishing  
Yeah she a star, when she step out she a star  
With my baby on my arm, no I can't go wrong  
And she got her own car, check, got her own crib, check  
My baby feed me good and that's why I, never had this feeling,  
Never ever thought I'd slow down, and that's some real shit  
Never seen it coming, I'm used to running around with fiends She got it all, all, all that I want  
She got it all, all, all that I need  
She got it all, all, all that I want  
She got it all, all, all that I need I said I'm throwing other chicks, I don't need em no more  
Baby you're the one I can't let go  
She got it all, all, all that I want  
She got it all, all, all that I need She got it all she got her own  
Every chick that know me, try to blow me like xylophone  
But I don't never dial any phone  
'Cause I ain't interested  
I ain't never been rejected, cause I'm a good catch  
But I guess I got intercepted  
I used to ball before, knew it was never hard to score  
But I never met a broad before, that had it all before  
Yes she the sexiest chick I ever saw before

I never seen nothing like her, so I'ma cuff and wife her  
These other chicks I'm cutting off, cause I'm cut from a different cloth  
Time is money but chicks tick me off  
Broads that hit me off, I ain't satisfied with,  
I need a girl that I could ride and die with She got it all, all, all that I want  
She got it all, all, all that I need  
She got it all, all, all that I want  
She got it all, all, all that I need I said I'm throwing other chicks, I don't need em no more  
Baby you're the one I can't let go  
She got it all, all, all that I want  
She got it all, all, all that I need
