Valentine

The Cables

Lloyd, ooh yeah
It feels so true this love of mine
Head rush from the touch, my emotions erupt
Realize that I'm stuck, trapped inside of her seduction
Losin' my mind each and every time she's around, ooh yeah
Just gotta beat me up and my end of the world
Oh Ms. Lady Luck, I done met the perfect girl
So could this be true lovin' that I found, ooh yeah
Don't know what to do so baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
So what do I do baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
Seems steadily we growin' baby ain't no rush
Hit the clutch, beat me down, slow it up till it's sho' enough
Girl my hearts in the pants of my brain, I'm in love, ooh yeah
And my buildin' feels like a million bucks
Take your bid up and struck, but too late couldn't duck
Like the Lord everyday must be heaven sent from above, ooh baby
And I don't know what to do I can't stop lovin' you
But it's cool 'cause I know the truth so I can't deny to myself
That I'm crazy over you, now my heart beats for two
And it's just ain't enough to let ya know, girl you gotta feel it in your soul
Don't know what to do so baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
So what do I do baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
If this is a dream, don't wake me
The thought of bein' with you just takes me
To the moon and the stars
The world revolves around my heart
Travellin' at the speed of light

And my heartbeat thunders with the thought
Of just one night with you, yeah
You are my dream come true, oh yeah
I only dream of you, oh baby
You are my dream come true, I can fly
Don't know what to do so baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
So what do I do baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
Don't know what to do so baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
So what do I do baby I
Give my heart to you my valentine
Through and through a thousand times
It feels so true this love of mine
