And I Love Her

Richard Marx

I give her all my love
That's all I do
And if you saw my love
You'd love her too
I love her
She gives me everything
And tenderly
The kiss my lover brings
She brings to me
And I love her
A love like ours
Could never die
As long as I
Have you near me
Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her
A love like ours
Could never die
As long as I
Have you near me
Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her
Ohh, and I love her
And I love her
