Love To Love You

Alex Hepburn

Sometimes it's hard to breathe
When I look into your eyes
I just cant believe no no
That you're mine oh my dear
Oh home is where my heart is
Where I belong
Yes I doNo tears in the pouring rain
And everyone is like a bright sunny dayDid I did I did I ever tell you
That I love to love you
Won't you let me love youDid I did I did I ever tell you
There's no one above you
Won't you let me love you
Because I love oh I love to love you
When you're holding me
For every kiss i miss
Oh I skip a heartbeat
And there ain't nothing, nothing that I won't do
To save this feeling that I'm so lost in you
Yes I amNo tears in the pouring rain
And everyone is like a bright sunny dayDid I did I did I ever tell you
That I love to love you
Won't you let me love youDid I did I did I ever tell you
There's no one above you
Won't you let me love you
Because I love oh I love to love you
Don't go giving up
No matter how it feels
Cause I feel for you baby
Yes I feel for you honeyDon't go giving up
No matter how it feels
Cause I feel for you baby
Baby I just need you to knowDid I did I did I ever tell you
That I love to love you
Won't you let me love youDid I did I did I ever tell you
There's no one above you
Won't you let me love you
Because I love oh I love to love you
