

Legacy (Don Diablo Remix)

[Nicky Romero](#)

Roses in the sun
Falling one by one
Every thorn stung
I was so numb
I almost didn't see you come When the walls around me were caving in
You save my life tonight
When there's nothing left but pouring rain
You save my life tonight And I found my heart inside your hands
You save my life tonight
You showed me how to feel again
You save my life tonight Hearts on the run
Wasted and young
Every mistake stung
'Til I was numb
I almost didn't see you come When the walls around me were caving in
You save my life tonight
When there's nothing left but pouring rain
You save my life tonight And I found my heart inside your hands
You save my life tonight
You showed me how to feel again
You save my life tonight
