

Scrappy Love (With DJ Muggs)

Tricky

Where've you been, love?
How've you been, love?
It's a long time since I've seen love
You make me happy, love
Hope that you're happy, love
I was a scrappy love I feel like I'm stupid now
I feel like I'm stupid now How've you been, love?
I've committed a sin, love
You care for him, love?
He's good for you, love
Guess who has sinned, love?
She asked how you're doin', love
I feel kind of stupid, love
'till he moves to the neck to the push to the shove How much time has it been, love?
How much time has it been, love? We don't even speak now
Remember the first walk-out?
You fill my need
You tell me to read
We sat in the park
We sat just apart But not for our own love
We grew a strong love
But not for our own love
We grew a strong love Wish I could sin love
Wish I could sin love
Wish I could sin love Where've you been, love?
How've you been, love?
It's a long time since I've seen love
You make me happy, love
Hope that you're happy, love
I was a scrappy love Feel like I'm stupid now
Feel like I'm stupid now How've you been, love?
I've committed a sin, love
Do you care for him love?
He's good for you love
Guess who I've seen, love?
She asked how you're doin', love
I feel kind of stupid love
'till he moves to the neck to the push to the shove
How much time has it been, love?

How much time has it been, love?We don't want to speak now

Remember the first walk-out?

You fill my need

Tell me to read

Sat in the park

We sat just apartBut not for our own love

We grew a strong love

But not for our own love

We grew a strong loveWish I could sin, love

Wish I could sin, loveHow've you been, love?

It's a long time since I've seen love

You care for him, love?He's good for you, love

He's good for you, love
