

Anxiety

Pinact

Good day, get me on a good day
Everything is going to be ok
Are they the only words that you can say?Force myself out of the front door
What have I been waiting for?
I don't feel so hopeless anymoreAnxiety rushes through me
I count to four and breathe in deep
'cos I don't ever want to feel so alone again
Summer in the sun somewhere they're having fun
Hope I don't go crazy on my own again
I don't want to be like you.
I got pretty lost without you
What was I supposed to do?
I've never really known what's good for meNow I think I've got my head straight
Things are looking better everyday
But I'm not that important anyway
Anxiety rushes through me
I count to four and breathe in deep
'cos I don't ever want to feel so alone again
Summer in the sun somewhere they're having fun
Hope I don't go crazy on my own again
I don't want to be like you.
