

# More Money Tonight

## Violent Femmes

I always felt that I was different  
I always thought that that was good  
I always thought that I was different  
I always thought that that was good Sometimes in school people pick on me  
In the gym locker room or in the hallway  
Cruel things people do and say  
Wait a minute, wait a minute I'll make more money tonight than you ever dreamed of  
You thought I was strange, just look at me now  
If you are lucky, I'll play in your city  
And you can come see me if you've got Somebody stole all my clothes  
That I like to wear  
But I'm so rich and famous  
Baby, what do I care?  
Wait a minute, wait a minute I'll make more money tonight than you ever dreamed of  
You thought I was strange, just look at me now  
If you are lucky, I'll play in your city  
And you can come see me if you've got I'll make more money tonight than you ever dreamed of  
You thought I was strange, just look at me now  
If you are lucky, I'll play in your city  
And you can come see me if you've got the money If you've got the money  
If you've got the money  
If you've got the money
