So Beautiful

Simply Red

I was listening to this conversation Noticing my daydream stimulated me more

I was crumbling with anticipation

You better send me home before I tumble down to the floorYoure so beautiful, but oh so boring

Im wondering what am I doing here

So beautiful, but oh so boring

Im wondering if anyone out there really cares

About the curlers in your hair

My little golden baby where have all your birds flown nowSomethings glistening in my imagination

Motivating something close to breaking the law

Wait a mo, before you take me down to the station

Ive never known a one whod make me suicidal beforeShe was so beautiful, but oh so boring

Im wondering what was I doing there

So beautiful, but oh so boring

Im wondering if anyone out there really cares

About the curlers in your hair

My little golden baby where have all your birds flown nowShe was so beautiful, but oh so boring

Im wondering what was I doing there

So beautiful, but oh so boring

Im wondering if anyone out there really cares

About the curlers in your hair

My little golden baby where have all your birds flown nowDoes anyone out there really cares?

Does anyone out there really cares?

So beautiful, about the curlers in your hair

She was so beautiful she was so
