

Glamour Girl

Praga Khan

Glamour girl, jet set queen
Bathing in luxury
Eating oysters at the bar
Pink Champaign, caviar

Glamour girl, acid queen
Dreaming your narcotic dreams
Between Jupiter and mars
On your highway to the stars

Cocktails parties - fashion shows
Glamour everywhere I go
Driving in my pink corvette
Smoking fancy cigarettes

Rendez-vous in saint trophez
Diner aux champs-elysees
Hanging out with all the stars
Liquor, cocaine, fat cigars
