Big Mistake

Tim Fite

Show me the best that you got,
And il show you one better.
Show me your reddest rose,
And il show you one redder.

Tell me a dirty joke,
and il laugh it off lightly.
If i tell you a dirty joke,
You might not like me.

Everyone gets to make,
One big mistake.
And if your waiting on me well,
I guess your going to have to wait.

Time is everything If you got nothing but time.
And life don't mean nothing if nobody knows when your lying.

So Lie when ya do,
Lie when ya don't,
Lie when ya did,
Lie til ya lie lie lie lie.

There wondering if any else is lying.

Everyone gets to make,
One big mistake.
And if your waiting on me well,
I guess your going to have to wait.

Coz im saving it all up for a very very special day,
When i can fuck it all up in the most spectacular way.

Everyone gets to make,
One big mistake.
And if your waiting on me well,
I guess your going to have to wait.

And wait and wait and wait and wait and wait,

And everyone gets to make,
One big mistake.
And if your waiting on me well,
I guess your going to have to wait.

Coz im saving it all up for a very very special day,
When i can fuck it all up in the most spectacular way.

Show me the best that you got,
And il show you one better.
Show me your reddest rose,
And il show you one redder.

Tell me a dirty joke,
and il laugh it off lightly.
If i tell you a dirty joke,
You might not like me.
