

Frenetic Amnesic

Cky

A blackout they peel him off of the floor(frenetic amnesic) he's delirious he thinks hes been here before
(frenetic amnesic)no recall not one familiar face (frenetic amnesic)the molded man has been completely erased
(frenetic amnesic)

[chorus:]

Everybody's after me, you could be the enemy, you seem too happy to reveal yourself there's no resentment
here (frenetic amnesic)
Completely in the dark try to pave a way with no chance (frenetic amnesic)and no reason not knowing who you
are looking for the truth it aint (frenetic amnesic) there and you cant believe them

(chorus)

What you see is what you get (you get) 2 seconds later i forget (forget)You seem too happy to reveal yourself
theres no resentment here
[pause]No recall theres no recall theres no familiar face (frenetic amnesic)the molded man has been completely
erased (frenetic amnesic x2)
