

Happy Music

The Blackbyrds

Happy music, music
Music on my mindHappy music makes you
Feel good all the time
Happy music takes your
Troubles off your mindHappy music makes you
Footloose and fancy free
Happy music takes you
Where you wanna be
Happy music
Good time music
Is our music
Funky musicParty music
Play happy music
Happy musicWhen you're jamming and
You want to boogie down
Play a hip tune that's
Got a funky sound
Make it funky, funky musicHappy music makes you
Feel good all the time
Happy music takes your
Troubles off your mind
Happy music makes you
Footloose and fancy free
Happy music takes you
Where you wanna be
