

# Flying

Bryan Adams

If you ever feel like  
You're gonna fall oh, I'll be there  
And if you ever feel down  
Or feel small oh, don't despair  
And if you ever feel lost or feel alone  
Babe come on home Let's just make love all night  
Let's just hold on so tight  
Let's make it last for life  
I won't let you go Ya, we're flying, feels just like flying  
We're such a long way up from the ground  
Just you and me flying  
So high 'n I'm never gonna come down Every time you turn around  
And wanna run oh, come to me  
When every little dream comes undone  
Oh, don't worry Let's just make love all night  
Let's just hold on so tight  
Let's make it last for life  
I won't let you go Ya, we're flying, feels just like flying  
We're such a long way up from the ground  
Just you and me flying  
So high 'n I'm never gonna come down, it's just you and me Oh, let's just make love all night  
Let's just hold on so tight  
Let's make it last for life  
I won't let you go Ya, we're flying feels just like flying  
We're such a long way up from the ground  
Ya, we're flying feels just like flying  
We're such a long way up from the ground Ya, we're flying so high and  
We're never gonna come down you and me
