

Dream in My Mind

Rupert's People

Dream in my mind
I'm your time
Not unkind
And there's happiness where once was sorrow

Dream there in song
Though it's wrong
To stay long
And find happiness where once was sorrow

Dream in my mind
Dream in my mind

Stay in my day
And you'll say
It's okay
And there's happiness where once was sorrow

Dream there in song
Though it's wrong
To stay long
And find yesterday in your tomorrow

Dream in my mind
Dream in my mind

[Guitar Break]

Dream in my mind
Dream in my mind

Stay in my day
And you'll say
It's okay
And there's happiness where once was sorrow

Dream there in song
Though it's wrong
To stay long

And find yesterday in your tomorrow

Dream in my mind

Dream in my mind
