

# The Heaven I Call Home

[Louise Morrissey](#)

In My Thoughts I Still Can See My Homeland Across The Sea  
With A Character And Style Thats All It's Own  
And Compared With All The Rest It's The Place That I Love Best  
County Mayo You're The Heaven I Call Home

Oh How I'd Long To Stray Down Along The Natures Way  
Where The Larch And The Pines Grow Straight And Tall  
By The Heather And Wild Flowers I Will While Away The Hours  
And Rest A While Beside The Waterfall

Chorus:

FONDEST MEMORIES LINGER STILL AND I KNOW THEY ALWAYS WILL  
ALL THOSE MANY SIMPLE PLEASURES I HAVE KNOWN  
AND THE CAREFREE DAYS I SPENT ALWAYS HAPPY AND CONTENT  
COUNTY MAYO YOU'RE THE HEAVEN I CALL HOME

On The Road To Westport Town You Can See For Miles Around  
The View It Seems Halfway Across The Globe  
Across The Mountains To Cloobeigh , To Connemara In Galway  
And Across The Great Loch Mass To Ballinroe

Chorus To Tag:

Please God I Will Someday, Return Again To Stay  
In The Place That's Like No Other I Have Known  
For It Will Always Be Home Sweet Home To Me  
County Mayo You're The Heaven I Call Home  
County Mayo You're The Heaven I Call Home
