Evilution (feat. JDevil)

Datsik & Infected Mushroom

It's evilution!
It's evilution!
It's evilution!
Peace!
Time to rock!
Sometime's we seize the day
A heartless game we try to play
To take our lives and eat them up with full thrust
Make it go away!
To make it go away!
This twisted secret out to make us weak
Become the innocent breed
Try this we will
Go away!
Go away!
Go away, go away, go away!
It's evilution!
It's evilution!
It's evilution!
It's evilution!
Time to rock!
Time to rock, time to rock!
It's evilution! Just evilution!
Some time we seize the day
A heartless game we try to play
To take our lives and...
And make it go away!
To make it go away!
This .secret... make us weak
Go away!
