Freaks of Nature

Sodom

Under the seal of secrecy
Nobody will come to know the truth
Inpore with impeccability
Heinous deeds coming soonFreaks of nature
Push matters to extreme
Freaks of nature
Resolute to defeatShady and envenomed
Feeble human monsters
Born to be exhibits
Deplorable strangeness
Devoted and obedient
For fear of being whipped
In a state of negativity
There is no retreatFreaks of nature
Push matters to extreme
Freaks of nature
Resolute to defeatThey abuse before their master
The freak show can begin
Their sun is set they have to suffer
Death is deliverance
Thirst for revenge they flock together
With clubs, knives and all their weapons
To fight for rights and dignity
Slave driver is killed the freaks are freedFreaks of nature
Push matters to extreme
Freaks of nature
Resolute to defeatFreaks of nature
Push matters to extreme
Freaks of nature
Resolute to defeat
