Free Indeed (feat. Clay Dubberly)

Doug & Deb

Feelinâ€™ burdened from my sin.
These chains are deep within.
You set me free.

Knowing Iâ€™m a slave to this.
By my own carelessness.
You set me free.

â€˜cause of Him let freedom ring (free indeed)
Come share His liberty (free indeed)
For we are all free, weâ€™re free indeed.

Locked inside an open jail
Didnâ€™t see His Grace prevailed.
Through Jesus, weâ€™re free.

Weâ€™re Godâ€™s family
Come share His liberty
In Him weâ€™re free.

â€˜cause of Him let freedom ring (free indeed)
come and share His liberty (free indeed)
For we are all free, weâ€™re free indeed.

No more burden from my sin.
No more chains deep within.
Jesus, you set us free.
No more burden (no more burden)
No more burden from sin.
No more burden (no more burden)
Weâ€™re free, weâ€™re free indeed.
