

Fall Apart

PawnShop kings

oh, i'm on my knees
oh, i am begging, i'm begging, please
let your love, such a good love
cut me, embrace me
crush me and save methis is how books get written
this is why tales are told
and this is what we'll tell the children when we're oldcome on, take me home
i've been waiting all my life for you
i could be alone if i thought i wasn't right for you
whatever comes along, i'll be putting up a fight for you
come on, take me home, yeah
let me fall apart with youlove, lift me off of my knees
we're both of us bleeding
broken and needing
come and fill my heart up
come and break it apart
i'll take all that you give me
i'll give you all that's in methis is how books get written
this is why tales are told
and this is what we'll tell the children when we're oldcome on, take me home
i've been waiting all my life for you
i could be alone if i thought i wasn't right for you
whatever comes along, i'll be putting up a fight for you
come on, take me home, yeah
let me fall apart with youcome on, take me home
i've been waiting all my life for you
i could be alone if i knew i wasn't right for you
come on, take me home
i've been waiting all my life for you
i could be alone if i knew i wasn't right for you
whatever comes along, i'll be putting up a fight for you
come on, take me home, yeah
let me fall apart with you
whatever comes along, i'll be putting up a fight for you
come on, take me home, yeah
let me fall apart with you
let me fall apart with you
