Robert:
Oh, ooh, oh, ooo, yeah uh, ooh, woah,
Brian:
there's no other love
there's nobody else I'm thinking of
only a baby as special
how could i ever forget you
and let the moment slip away
we've been here for a while
and i just wanna take you away
Will:
You got me doing things I never do
I can't stop feeling and dreaming about you
And about your love it feels so real to me
You know what to say
And you know just what to do
Come get me

What You got for me

I cant wait no longer
My anxiety is building up
Moments turn into
Hours and hours to days in my mind
Can someone tell me the time
I don't wanna wait a vain
And i don't want to deal with the pain
