

It Will Be a Good Day (The River) [Live]

Yes

Golden forest, golden lake
Sanctuary, state of grace
I will find reason a place to begin
It will be a good day Beginning is one place, I've been before
Watching the sunrise on the silver shores
Setting me free again, leading the way
It will be a good day Sometimes I forget, how mighty this earth
Astounding winter skies, truth is in birth
Peace that it brings to me, my naked eyes
Be a good day Make me believe again
Making me free again
Making me see again Golden mountains, golden seas
A thousand reasons singing to me
Alive to this message, realizing it all
Be a good day Learning to listen, learning to see
Learning is power, making me free
Free to believe again in my human side
Giving me good reason
Giving me good reason (Come tomorrow)
Make me believe again
(Destiny)
(Take the river)
Making me free again
(To the sea) (Come tomorrow)
Making me see again
(Will be free) Like a river
Time feels so much closer now
You are with me, so real We make our own heaven
Clear through the sky
The making of reason for you and I
I sing of each season
Making us feel
This will be a good day
This will be a good day (Come tomorrow)
Make me believe again
(Destiny) (Take the river)
Making me free again
(To the sea)
(Come tomorrow)

Making me see again
(Destiny)
Like a river to the sea Make me believe again
Making me free again
(Come tomorrow)
Making me see again
(Destiny)(Take the river)
Making me free again
(To the sea)(Come tomorrow)
Making me see again
(Take the river)
(Come tomorrow)
(Destiny)
(Take the river)
(To the sea)
