

# Want to Want Me

Jason Derulo

It's too hard to sleep  
I got the sheets on the floor, nothing on me  
And I can't take it no more, it's a hundred degrees  
I got one foot out the door, where are my keys?  
'Cause I gotta leave yeah  
In the back of the cab  
I tipped the driver 'head of time, get me there fast  
I got your body on my mind, I want it bad  
Oh just the thought of you gets me so high  
So highGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to youGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to you  
Just to get up next to youYou open the door  
Wearing nothing but a smile down to the floor  
And you whisper in my ear, "Baby I'm yours"  
Ooh just the thought of you gets me so high, so high  
So highGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to youGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to you  
Just to get up next to youJust the thought of you  
Gets me so high, so high  
Oh just the thought of you  
Gets me so high, so highGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to youGirl you're the one I want to want me  
And if you want me, girl you got me  
There's nothing I, no I wouldn't do (I wouldn't do)  
Just to get up next to youI would do anything  
Just to get up next to you  
Anything and everything

Just to get up next to youJust to get up next to you
