

I Just Want To Make Love To You (Live Version)

Foghat

I don't want you cook my bread
I don't want you make my bed
I don't want your money too
I just wanna make love to youI don't want you be no slave
I don't want you work all day
I don't want you to be sad and blue
I just wanna make love to youI can tell by the way that you, baby talk
I can see by the way that you switch and walk
I can tell by the way that you treat your man
But I could love you, baby, it's a cryin' shameI don't want you, wash my clothes
I don't want you, keep a home
I don't want you to be true
I just wanna make love to youI don't want you be no slave
I don't want you work all day
I don't want you to be true
I just wanna make love to youI don't want you keep a home
I don't want you wash my clothes
I don't want you to be true
I just wanna make love
