I Feel Numb (feat. Alex Frankel)

Classixx

Letra de I Feel Numb
I can feel it coming
I can feel it comingI don't need no number to call up shots inside my head
Well, hit me with that thunder
Use me 'til there's nothing leftI said I am, I am the one
The one who makes you feel okay
I am under the gun
I grab you by the arms and say
I feel numb
Take a little time to slow down
One on one
I can feel it coming back 'round
I can feel it coming, coming, coming
I can feel it coming back 'round
I can feel it coming, coming, coming
I can feel it coming back 'roundI don't need an answer to understand just what you mean
Hold me 'til those hands hurt
Call my name from out a dreamIt seems I am the one
The one who makes you feel okay
I am under the sun
I turn to you and start to say, darling
I feel numb
Take a little time to slow down
One on one
I can feel it coming back 'round
I can feel it coming, coming, coming
I can feel it coming back 'round
I can feel it coming, coming, coming
I can feel it coming back 'roundI feel numb
Take a little time to slow down
One on one
I can feel it coming back 'round
I feel numb
Just take a little time to slow down
One on one
I can feel it coming back 'roundI feel numb
Take a little time to slow down
One on one
I can feel it coming back 'round

I can feel it coming, coming, coming
I can feel it coming back 'round
I can feel it coming, coming, coming
I can feel it coming back 'round
