

# What a Woman Wants To Hear

## Anderson East

Calico quilt and muscadine wine  
Silver moon, candlelights  
Pretty little girl, come here  
I want to tell you what a woman, tell you what a woman wants to hear

Fine Merlot that you had in my yard  
[?] from the stars  
Gonna lay you down, make it clear  
I'll tell you what a woman, tell you what a woman wants to hear

So with a turn of my head and that cotton-red sundress  
Sitting cross-legged, bitching 'bout your ex  
You're turnin' me on, when they call last call  
You said "let's get out of here"  
Little girl, I'll make it clear  
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to hear

Wanna talk about tomorrow like it's a real thing  
See you when it comes down next spring  
Whisper nothings in your ear  
I'll tell you what a woman, tell you what a woman wants to hear

So with a turn of my head and that cotton-red sundress  
Sitting cross-legged, bitching 'bout your ex  
You're turnin' me on, when they call last call  
You said "let's get out of here"  
Pretty little girl, I'll make it clear  
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to hear  
I'll tell you what a woman, tell you what a woman wants to hear

So with a turn of my head and that cotton-red sundress  
Sitting cross-legged, bitching 'bout your ex  
You're turnin' me on, when they call last call  
You said "let's get out of here"  
Pretty little girl, I'll make it clear  
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to hear  
I'll tell you what a woman, tell you what a woman wants to hear  
I'll tell you what a woman, tell you what a woman, tell you what a woman wants to hear
