

# What More Do You Want?

## Plain White T's

Tell me what's wrong  
Tell me what's right  
Tell me how you want me  
To do it tonight  
I don't wanna sing  
I don't wanna shout  
I just want a feeling  
I've been living without What more do you want?  
What more do you want?  
What more do you want from me?  
Tell me what you want  
Tell me what you need Tell me that you only want  
To get it from me  
I know what to say  
I know what to do  
I know that you're staying  
So the joke's on you  
What more do you want?  
What more do you want?  
What more do you want from me? (That's what you want. That's right. Oh!)

Tell me what's wrong  
Tell me what's right  
Tell me how you want me  
To do it tonight  
I don't wanna sing  
I don't wanna shout  
I just want a feeling  
That I'm living without I know to say  
I know what to do  
I know that you're staying  
So the joke's on you  
I don't wanna wait  
But you tell me it's right  
I don't wanna wait 'Cause I've been waiting all night  
What more do you want?  
What more do you want?  
What more do you want from me?
