

# Somewhere Over The Rainbow

Billie Holiday, Benny Goodman, Louis Armstrong, El

When all the world is a hopeless jumble  
And the raindrops tumble all around  
Heaven opens a magic lane  
When all the clouds darken up the skyway  
There's a rainbow highway to be found  
Leading from your windowpane  
To a place behind the sun  
Just a step beyond the rain  
Somewhere over the rainbow  
Way up high  
There's a land that I dreamed of  
Once in a lullaby  
Somewhere over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true  
Someday I wish upon a star  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
High above the chimney tops  
That's where you'll find me  
Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?  
Someday I wish upon a star  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
High above the chimney tops  
That's where you'll find me  
Somewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then, oh, why can't I?
