

# I Will Be True

Ron Hamilton

Chorus:

I promise you, I will be true,  
faithful in all things,  
loyal to you,

Walking beside you,  
sharing your heavy load,  
lifting you higher and helping you grow

I promise you, I will be true,

I will walk beside you through each tomorrow,  
I'll be there to help you, through every sorrow,  
cheering every victory, suffering through each agony,  
I will keep you close to me, forever in my heart,

Chorus:

I promise you, I will be true,  
faithful in all things, loyal to you,  
walking beside you, sharing your heavy load,  
lifting you higher and helping you grow,

I promise you, I will be true,

Through your feet may stumble, I will be praying,  
loving through the hard times, faithfully staying.

Though the miles between us grow,  
I will never let you go,  
through the years our love will grow,  
forever in my heart,

Chorus:

I promise you, I will be true,  
faithful in all things, loyal to you,  
walking beside you, sharing your heavy load,  
lifting you higher and helping you grow.

I promise you, I will be true.

I will be true.
