

Everybody's Changing

Keane

You say you wander your own land
But when I think about it
I don't see how you can You're aching, you're breaking
And I can see the pain in your eyes
Says everybody's changing
And I don't know why [Chorus]
So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same You're gone from here
Soon you will disappear
Fading into beautiful light
'Cause everybody's changing
And I don't feel right [Chorus] So little time
Try to understand that I'm
Trying to make a move just to stay in the game
I try to stay awake and remember my name
But everybody's changing and I don't feel the same
Everybody's changing and I don't feel the same
