

# I'm Counting On You

[Elvis Presley](#)

All the words that I let her know  
Still could not say  
How much I need you so in every way I hope you will guide me  
As only you can do  
Hold my hands down beside me  
I'm counting on you I'm counting on you dear  
From the dawn of each day  
To always come through dear  
In your kind lovin' way If you knew just how deeply  
I feel the things you do  
Then you know how completely  
I'm counting on you I'm counting on you dear  
Around the dawn of each day  
To always come through, dear  
In your kind lovin' way If you knew just how deeply  
I feel the things you do  
Then you know how completely  
I'm counting on you
