

# Can't Go Home

## Brewer & Shipley

Lately Iâ€™ve been passing days  
Singing songs that Iâ€™ve never sung before  
And here it comes the sunrise  
And I canâ€™t close my eyes  
Though Iâ€™m feeling so tired

Waking up a thousand rhymes  
About a place that I thought I knew so well  
And here it comes the sunrise  
But I canâ€™t close my eyes  
Knowinâ€™ I canâ€™t go back home

I canâ€™t go home  
I canâ€™t go home  
I want to go on home again

Lady Luck she was a friend  
But she died when a frozen winter fell  
And here it comes the sunrise

And I canâ€™t close my eyes  
Knowinâ€™ I would wake up here

I canâ€™t go home  
I canâ€™t go home  
I want to go on home again

I canâ€™t go home  
I canâ€™t go home  
I want to go on home again
