

# Approach

## The Color Red

A loss for words  
A brand new day  
A different approach  
To a different wayA complete and total waste of time  
To ever dream this up  
I should've never dreamed you up  
Before todayA loss for words  
A different day  
The same approach  
In a different wayYou know you're always on my mind  
I just can't get enough of you today  
You know just what it takes  
And how to make me crawlAnd when I crossed the line  
I felt my rising fall  
You know just what it takes  
So tell me what it takes  
To end this rising fall
