Diggin diggin down
Diggin down blazin, liaison
Bringin the sound

(chorus)
This is not just a physical thing
Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering
This girl, she woz sweet 16
Blonde hair, blue eyes
Knew how 2 keep me keen
L-O-V wid d'E
Woz all up in me
This girl woz tick
She had her lips on me
I fink this cud b love
And not just a thing
Coz I wana heart
Wid the boogies that I bring
So I fink I'll finish off this little thing
Wid the diamonds to the ring
In the lyrics that I song
I'm sampa I aint a playa
Love is real shud last 4eva
Diamond rings candlelit dinner
Crystal wine 4 my tru lover
Romance in the air, the bells r ringin
On this tru laison singin
Sampa's love is everlasting
Ur always in my heart theres no escapin
(Chorus x2)
When I'm I control I'm like

Heart breakin , love makin' room shakin'
Girl, just come on let me do my thing
Coz I'm all alone and I'm still standin

But all this time u keep forgettin
Bell a bop woz still around then
I duno wot 2 do 2 make it the rite thing
Wiv all this talent I've got I'm defendin
I'll b around 24/7
Get married, have kids and go 2 heaven
Girl, ur nice and pretty
I'll make ur life nice and easy
Here I go, this aint no show
I love u so much
We'll go with the flow
Yes, yes u'll b my guest
Out of all the girls I love u the best
(Chorus x2)
if love was a car it b a Bentley
this is wot blazin's offerin'
if love was crime, come and shift me

If love was cash I'd do robbery
