

# Walk On the Water (Acoustic Version)

**Britt Nicole**

You look around, staring back at you  
Another wave of doubt, will it pull you under? You wonder  
What if I'm overtaken? What if I never make it?  
What if no one's there? Will You hear my prayer? When you take that first step into the unknown  
You know that He won't let you goSo what are you waiting for? What do you have to lose?  
Your insecurities, they try to alter you  
But you know you're made for more, so don't be afraid to move  
Your faith is all it takes, and you can walk on the water, tooSo get out, and let your fear fall to the ground  
No time to waste, don't wait, and don't you turn around and miss out  
Everything you were made for, I know you're not sure  
So you play it safe, you try to run awayIf you take that first step into the unknown  
He won't let you goSo what are you waiting for? What do you have to lose?  
Your insecurities, they try to alter you  
But you know you're made for more, so don't be afraid to move  
Your faith is all it takes, and you can walk on the water, tooStep out, even when it's storming  
Step out, even when you're broken  
Step out, even when your heart is telling you  
Telling you to give upStep out, when your hope is stolen  
You can't see where you're going  
You don't have to be afraid  
So what are you waiting, what are you waiting for?So what are you waiting for? What do you have to lose?  
Your insecurities try to alter you  
You know you're made for more, so don't be afraid to move  
Your faith is all it takes, and you can walk on the water  
Walk on the water, too
