

Dont Take It Out On Me

[Hank Thompson](#)

Just because you were hurt by someone
Don't take it out on me
Although I know you love that someone
More than you ever loved me You always will remember
The day he went away
Our love has left an ember
That burns your heart away The love you thought would last forever
Is now just a memory
And just because you were hurt by someone
Don't take it out on me You always will remember
The day he went away
Our love has left an ember
That burns your heart away
