

Just Us

Two Tons O' Fun

Lovin'™, tender sweet as i remember
Feelin'™ fires in your arms
Say we'll last forever
Wonderful together

Huggin, squeezing
More than merely pleasing
Soothing, moving
In my heart

There are no others
No one is sweeter
I'm in a trance going deeper deeper
High as a rainbow
There's only you me and how you make me feel

Just us " just us "just us

Livin'™ easy, feeling mighty freely
Givin'™ true my whole life through
Secret dreams unfoldin'™
Reachin'™ touchin'™ holdin'™
Laughin'™, there is more than i can hope for
Livin'™ lovin'™ in your arms

There are no other loves
Deeper and deeper oh
I'm as high as a rainbow
