

# To Be Sky

Piers Faccini

Found an ocean, but it dried away  
Found a rock, but it crumbled to dust  
Found a valley that was cold as ice  
Found a mountain, couldn't reach the top  
To be lost and to be found  
To be sky is ever to go down  
To be sky is ever to rise up  
From the ground  
Found a fire, but it burned to ash  
Found a lover, lover gave me up  
Found a dream, dream...  
Found a heaven, wouldn't let me in  
To be lost and to be found  
To be sky is ever to go down  
To be sky is ever to rise up  
From the ground  
From the ground  
From the ground  
From the ground  
From the ground  
From the ground  
To be lost and to be found  
To be sky is ever to go down  
To be sky is ever to rise up  
From the ground
