Causing Riots

Evil's Toy

The sounds of decadence high in the sky
An ancient and terrific fantastic lie
Can't you feel the cold gaze watching you

They're watching you
A surveillance for the masses
Now you're in their limelight
Stop that blind approach against the things you cannot change
The blast of silence in high tension
Beyond any comprehension
Can't you feel your primal instinct fading away

Just fading away
For today the chase is over just accept that you have lost
But you won't submit never surrender
That's very revealing
