Why Not (remix 2005)

Hilary Duff

Why not, why not
You act like you don't know me
When you see me on the street
You're makin' like I turn you off
When I know you think I'm sweet
It don't have to be like that
I guess you're insecure
If you say what's on your mind
I might answer sure
So I walk a little slower
And I try to catch your eye
Sometimes it's so hard to see
The good things passing by
There may never be a sign
No flashing neon light
Telling you to make your move
Or when the time is right
So why not, why not
Take a crazy chance
Why not, why not
Do a crazy dance
If you lose a moment
You might lose a lot
So why not, why not
Why not take a crazy chance
Why not take a crazy chance
You always dress in yellow
When you want to dress in gold
Instead of listening to your heart
You do just what you're told

You keeping waiting where you are
For what, you'll never know
Let's just get in to your car
And go, baby go
So why not, why not
Take a crazy chance
Why not, why not
Do a crazy dance

If you lose a moment
You might lose a lot
So why not, why not
Oh, I could be the one for you
Oh yeah, maybe yes, maybe no
Oh, it could be the thing to do
What I'm saying is you gotta let me know
You'll never get to Heaven or even to L.A
If you don't believe me, there's a way
Why not, why not
Take a star from the sky
Why not, why not
Spread your wings and fly
It might take a little
And it might take a lot
But why not, why not
Why not
Take a crazy chance
Why not
Do a crazy dance
If you lose a moment
You might lose a lot
So why not, why not
