Funny

Scars on Broadway

Funny, how you turned red
When I first said
Let's join the deadFunny, I was driving by
Feeling really high
It made me cryWooooohhhhhh...
Ahhhhh...Funny, there were swastikas
On Santa Monica
Where they were scarredFunny, that no one said
that you were dead
and painted redWhere do you go when you fall on your face?
It's a place that you never should know
Is there a reason why people should change
And they changin' the way that they goIf I was there with you for long
Would you be singing me this song?
I'm holding on...Wooooohhhhhh...
Ahhhhh...Where do you go when you fall on your face?
It's a place that you never should know
Is there a reason why people should change?
And they changin' the way that they goIf I was there with you for long
Would you be singing me this song?
I'm holding on...Wooooohhhhhh...
Ahhhhh...Wooooohhhhhh.....
Ahhhhh...
